PETITION UNDER 37 CFR 1.78

Dear Sir/Madam:

Assignee hereby petitions the Office to accept an unintentionally delayed reference to prior co-pending provisional and non-provisional patent applications in the above-identified patent application.

As required by 37 CFR 1.78 (a)(3) and (6), Assignee hereby states that the entire delay in filing a corrected reference to prior co-pending provisional and non-provisional patent applications from which priority is claimed was unintentional. The priority claim as made in the above-identified application was in error and made in good faith with no deceptive intent.

As required by 37 CFR 1.78, this petition is accompanied by a corrected reference to prior-co-pending patent applications as shown in the preliminary amendment accompanying

this petition. Also, in compliance with 37 CFR 1.78, this petition is accompanied by the fee set forth in 37 CFR 1.17(t).

CONCLUSION

In view of the foregoing, it is respectfully requested that this petition be granted and that the accompanying preliminary amendment be entered in the above-identified patent application. If the Examiner has any questions, she/he is invited to contact the undersigned at (503) 439-6500.

In the event there are any errors with respect to the fees for this response or any other papers related to this response, the Director is hereby given permission to charge any shortages and credit any overcharges of any fees required for this submission to Deposit Account No. 50-3130.

Respectfully submitted,
